

## Spray 'N Play 2021 Guidelines

On May 14, the State of Illinois entered the Bridge Phase to Phase 5 – of the Restore Illinois plan. Based upon Bridge Phase to Phase 5 guidelines, we have put together this informational document.

For more information on Phase 4 and Bridge Phase to Phase 5 guidelines, please visit the Illinois Department of Health (IDPH) document at

[https://www.dph.illinois.gov/sites/default/files/Swimming%20Facility%20Guidelines\\_v5\\_210505.pdf](https://www.dph.illinois.gov/sites/default/files/Swimming%20Facility%20Guidelines_v5_210505.pdf)

### GENERAL GUIDELINES

1. If you are not fully vaccinated, you must wear a face mask to enter this facility and must remain on while inside the facility except while eating, drinking, or playing in the water. By entering this facility without a face covering, you are verifying truthfully that you have been fully vaccinated.
2. While in line at the admissions office, concession window, or bathroom, guests must maintain 6-ft distancing. Tape and/or signs will be used to help maintain 6-ft distancing.
3. Reservations are highly recommended for the 10 am – 12 pm Monday – Friday session, and can be found on the Spray 'N Play facility page on our website at bgparks.org. Guests will be able to use the facility for a 2-hour time block. After each time block, regardless of the time a guest entered the facility, all guests will be asked to leave promptly. The facility will be closed for 30 minutes, in order to allow staff to clean the facility.
4. Admissions will need to be paid for each time block, regardless of the use of the facility earlier in the day.
5. Walk-ins will be welcomed if the facility is not at capacity, per current state guidelines.
6. Outside food and drink will be allowed. There will be a limited variety of prepackaged concession items available for purchase.
7. Please make sure you have all of your belongings, as there will not be a lost and found. The Buffalo Grove Park District is not responsible for lost or stolen items.

### BATHROOMS

1. Bathrooms will be shared spaces. In order to limit exposure, two people or one household will be allowed inside the bathroom at any given time.
2. Proper handwashing (20 seconds or longer) is required after bathroom use.

### DISINFECTING/CLEANING PROCEDURES

1. Cleaning and disinfecting of the facility will follow CDC and IDPH guidelines.
2. Hand sanitizer and sanitizing stations will be available.

### HEALTH MONITORING

1. All staff and participants are required to complete a wellness screening self-assessment before arriving on-site each day.
2. Any staff or participant who is exhibiting one or more COVID-19 symptoms will be prohibited from entering the facility.

## Wellness Screening Self-Assessment

Yes No

- Have you felt feverish?
- Do you have a cough?
- Do you have a sore throat?
- Have you been experiencing difficulty breathing or a shortness of breath?
- Do you have muscle aches?
- Do you have congestion or a runny nose (e.g., not related to allergies)?
- Have you been experiencing fatigue?
- Have you had a new or unusual headache (e.g., not related to caffeine, diet, or hunger, not related to a history of migraines, clusters, or tension, not typical to the individual)?
- Have you noticed a new loss of taste or loss of smell?
- Have you been experiencing chills or rigors<sup>1</sup>?
- Do you have any gastrointestinal concerns (e.g., abdominal pain, vomiting, diarrhea)?
- Is anyone in your household displaying any symptoms of COVID-19?
- To the best of your knowledge, have you or anyone in your household come into close contact<sup>2</sup> with anyone who has tested positive for COVID-19?

<sup>1</sup> Rigors: a sudden feeling of cold with shivering accompanied by a rise in temperature

<sup>2</sup> Close contacts include household contacts, intimate contacts, or contacts within 6-ft. for 15 minutes or longer unless wearing N95 mask during period of contact.
