

GOLF DOME
at the Buffalo Grove Park District

FREE GOLF CLINICS

Thursday, January 9
5 pm

Instructor: Eric Pick

Iron shots

trajectory control, shaping and narrowly dispersion

Wouldn't it be easier to score lower if you had more control of your ball with any iron in your bag? Come learn how to influence your launch angle, improve your trajectory, and ultimately get your ball closer to the hole.

Thursday, March 5
12 pm

Instructor: Jenn Dietrich

Women's Golf Clinic

We are welcoming all women to get together, and go over basic golf fundamentals. Advance your game with others, as you learn the correct setup and swing fundamentals for golf. Jenn will also answer any questions that participants may have, including grip, aim, posture, stance, basic swing fundamentals (leverage, turn, finish), clubs, and how the bag/clubs work.

Tuesday, February 4
6:15 pm

Instructor: Todd Sones

Short Game

Effectively developing and practicing your short game at the Golf Dome

You can and should work on your short game this winter, while practicing at the Buffalo Grove Dome. In this clinic, Todd will show you how to hit crisp chips and pitches, controlling your trajectory and distance.

Wednesday, March 11
10 am

Instructor: Mason Wall

Golf Ball Testing

To Optimize Performance

Test high quality golf balls, to see what suits your game best; or, test what you're currently playing to see if you need to make a switch.

Monday, February 24
11 am

Instructor: Jeff Williams

Wedges

From 20-60 yards

Attend this clinic, and find out why it's very important to practice from these yardages. Participants will also learn proper grip, aim, ball position, club selection, ball flight, and golf stance.

Wednesday, April 8
6 pm

Instructor: Hiromune Takamura

Full Swing Driver

We will cover setting up (address position), the top of the backswing, before impact, and impact position. We will also learn movements from the top to impact.
