Mah Jongg - Beginner

Come join this class to be part of the millions of players that already enjoy the game called Mah Jongg. It is a fascinating rummy-like game, played with tiles rather than cards. At the completion of this class, every student will know the Mah Jongg basics, and the elementary principles of the game. The class is for beginners, and perfect for those who played the game years ago and need refresher classes to brush up on skills, rules and strategies. Attendance is required for the first and second classes; being absent from the first or second classes can result in cancellation from the program. Mah Jongg cards, priced at \$9, are required for every student (in addition to class cost), and are available from the instructor at the first class. Students already having a 2018 National Mah Jongg League published card are exempt. (CE)

We will also work on desensitizing to stimuli (reactions to things such as other dogs, animals and people - basically anything that moves). Are you sending the correct message to your dog or reinforcing bad behavior? This class is for dogs 4 months and older.
