Drawing & Painting

Discover the joys and magic of painting in oils and acrylics under the guidance and inspiration of professional artist Enid Silverman. Beginning, intermediate and advanced students will be given individual attention as they are taught how to develop and improve their drawing and painting skills, while choosing their own subject matter. Beginners will be given supplies for the first class. Thereafter, participants will be required to purchase minimal supplies as needed. You can see Enid's artist show Tuesdays at 7:30 pm on local access channels 19 and 35. **No class on July 4 and 5.** (CE)

Home Cheese Making

Good cheese tastes even better when you make it yourself. This class will cover the science behind cheese making, along with ingredients, equipment and cooking techniques for making your own cheese. Students will make mozzarella and whole milk ricotta cheeses. The first class will be a demonstration and lecture with cheese samples. The second and third classes will be student participation. Students will also need to bring their own supplies with them to the second and third classes. Please be sure to bring 2 gallons of whole milk, a large stainless steel pot that fits 1 gallon of milk, Playtex gloves, a large microwaveable bowl, and seasoning of your choice, such as chives, basil, sage, rosemary, tarragon, lemons or dill. Introduction To Voiceovers

Are people always telling you that you have a great voice? Do you often find yourself listening to your favorite audiobook, commercial or cartoon character and thinking, "I could do that"? This fun and empowering 90-minute introductory workshop covers the different types of voiceovers and what tools are needed in order to find success in the industry. Your instructor (a professional voice actor) will coach you in this one-on-one video chat setting, as you read from real scripts, taking notes on your performance, so you can receive a professional voice evaluation later. After class, you will have the knowledge necessary to help you decide if this is something you'd like to pursue. (CE)

Fun With Beading

This course is designed to help participants learn basic beading skills. Class members will design, develop and make custom beaded necklaces and bracelets. The first session will introduce beading techniques and help participants design and make a bracelet. The second session will enable class members to produce a necklace. For the first session, bring a towel on which to work, and a string of beads. For the second session, bring a strand of beads 12" to 16" in length, and (if desired) a pendant to compliment the beads. The instructor will furnish the wire, clasp, crimps, tools, and some filler beads to compliment your jewelry. Beads can be bought at local craft shops, which often advertise discount coupons in the Sunday newspapers. (CE)
