

2018 Rain Barrel Sale

Fill out all parts of this form carefully. Incomplete or inaccurate information will delay your order.

The Buffalo Grove Park District Environmental Action Team is now selling rain barrels and composters for April 8 pickup from 8 - 11 am at Twin Creeks Park, located at 401 Aptakisic Road in Buffalo Grove.

Rain barrels can be used for watering gardens, lawns, cars and more. Natural rain water has the ideal ph level for plants growth. *Harvest your own water and save money.* These 55 gallon barrels are insect resistant and each comes with a spigot and are easy to install.

A sample barrel and information about all the other products and accessories are on display at the Alcott Center.

Pre-orders only. The last day to place an order is March 30. No day of sales will be taken on pick-up day.

Visit upcycle-products.com for more information.
