Promotional pricing available September 7 - September 30, 2021. Valid for new members only. The free month is the first full month. You will pay the prorated dues for September, October will be your free month and November will be \$39. The prorated amount and \$39 are due at enrollment. Discounted months apply to the membership dues of the new member only, not the primary member, unless the new member is the primary. No membership freezes permitted during the first 3 months of membership. Membership will remain active after the promotional period, and regular membership terms will apply. No other promotion or discounted pricing can be combined with this offer. Current members are excluded from this promotion. No refunds will be given as a result of early termination. Not applicable to students 13 - 25 years old. Exclusions apply.
