

Buffalo Grove Park District
Preschool Safe Snack List
Updated 8/15/2018

The Buffalo Grove Park District Preschool is a **nut-safe** environment.

To support children's nutritional needs, we will follow the recommended snack guidelines of the USDA. We will provide healthy snacks on Wednesdays and Thursdays and encourage families to do so as well when volunteering to bring in snacks for their child's class. Snacks must be in unopened boxes/bags OR individually pre-packaged. Please still check the labels of these products as we never know when they may change their recipe or label. The following list will provide you with healthy, nut-free options for you to choose from. Water will always be provided, as this is the best option to keep our children hydrated. If at any time you find an item that you feel could be added to the list, please email Diana or Monica.

Fruit & Vegetables

- Fresh Bananas, Blueberries or Strawberries, Cuties/Clementines
