Buffalo Grove Park District Commissioners Receive Recognition

(Buffalo Grove Park District, Buffalo Grove, IL) - On October 15, 2021, Buffalo Grove Park District Commissioners Scott Jacobson and Adriane Johnson received recognition at the Illinois Association of Park Districts (IAPD) Best of the Best Awards Gala for the milestones in their years of service to the community. Adriane Johnson, who also now serves as the State Senator in the 30th District, was recognized for her 10 years on the Park Board; and, Scott Jacobson, who is currently the Park Board President, was recognized for his 20 years of service.

“We have been so fortunate to have the kind of long-term, strong leadership that Scott and Adriane provide,” said Buffalo Grove Park District executive director, Ryan Risinger. He added, “Scott has been an advocate over two decades for many important issues. He has been instrumental in our agency accomplishing things like bringing a fitness center, golf dome, and arts center to the community, as well as setting policy that included an outdoor smoking ban. And, Adriane has provided impactful leadership from day one. In addition to all of the great things she has done for Buffalo Grove, Adriane has also served as the IAPD Board Chair – providing leadership that had a positive effect on park districts throughout the entire state. It’s no surprise that her talents have brought her all the way to the Illinois State Senate.
