FOR IMMEDIATE RELEASE

### Buffalo Grove Park District Opens Registration For Virtual Programs in June

(Buffalo Grove Park District, Buffalo Grove, IL) - The Buffalo Grove Park District is offering a variety of virtual recreation programs online during the month of June. These programs are available to both residents and nonresidents for one low fee. Registration is open and available on the Park District website at [bgparks.org](http://bgparks.org); and, programs will begin the week of June 1. All registration will be taken online only.

Those who have an online registration account can register as they normally would for Park District programs. Those who need to set up an account can do so by going to the registration page on the Park District website. Because the Park District staff is working remotely from home, it may take over 24 hours to set up any new accounts. Once a new account is created for someone, they will receive an email with their login information. Any questions can be emailed to [registrar@bgparks.org](mailto:registrar@bgparks.org) to contact the Park District registration staff.

"As we continue with virtual programs in June, we have expanded our offerings, as well as provided a few options that will allow people to safely participate at an outdoor Park District location. We will release similar online offerings each month, until we are back to our normal operations. This June guide will be almost all virtual programming; but, hopefully, we will be able to reintroduce on-site programs in July or August, depending on what the local, state and federal guidelines and recommendations are regarding the pandemic," said Buffalo Grove Park District executive director Ryan Risinger.

For updated information as things change, please visit the Park District website at [bgparks.org](http://bgparks.org).
