

1. Go to your Chrome browser and click on the 3 dots in the upper right corner, then click on "Settings"

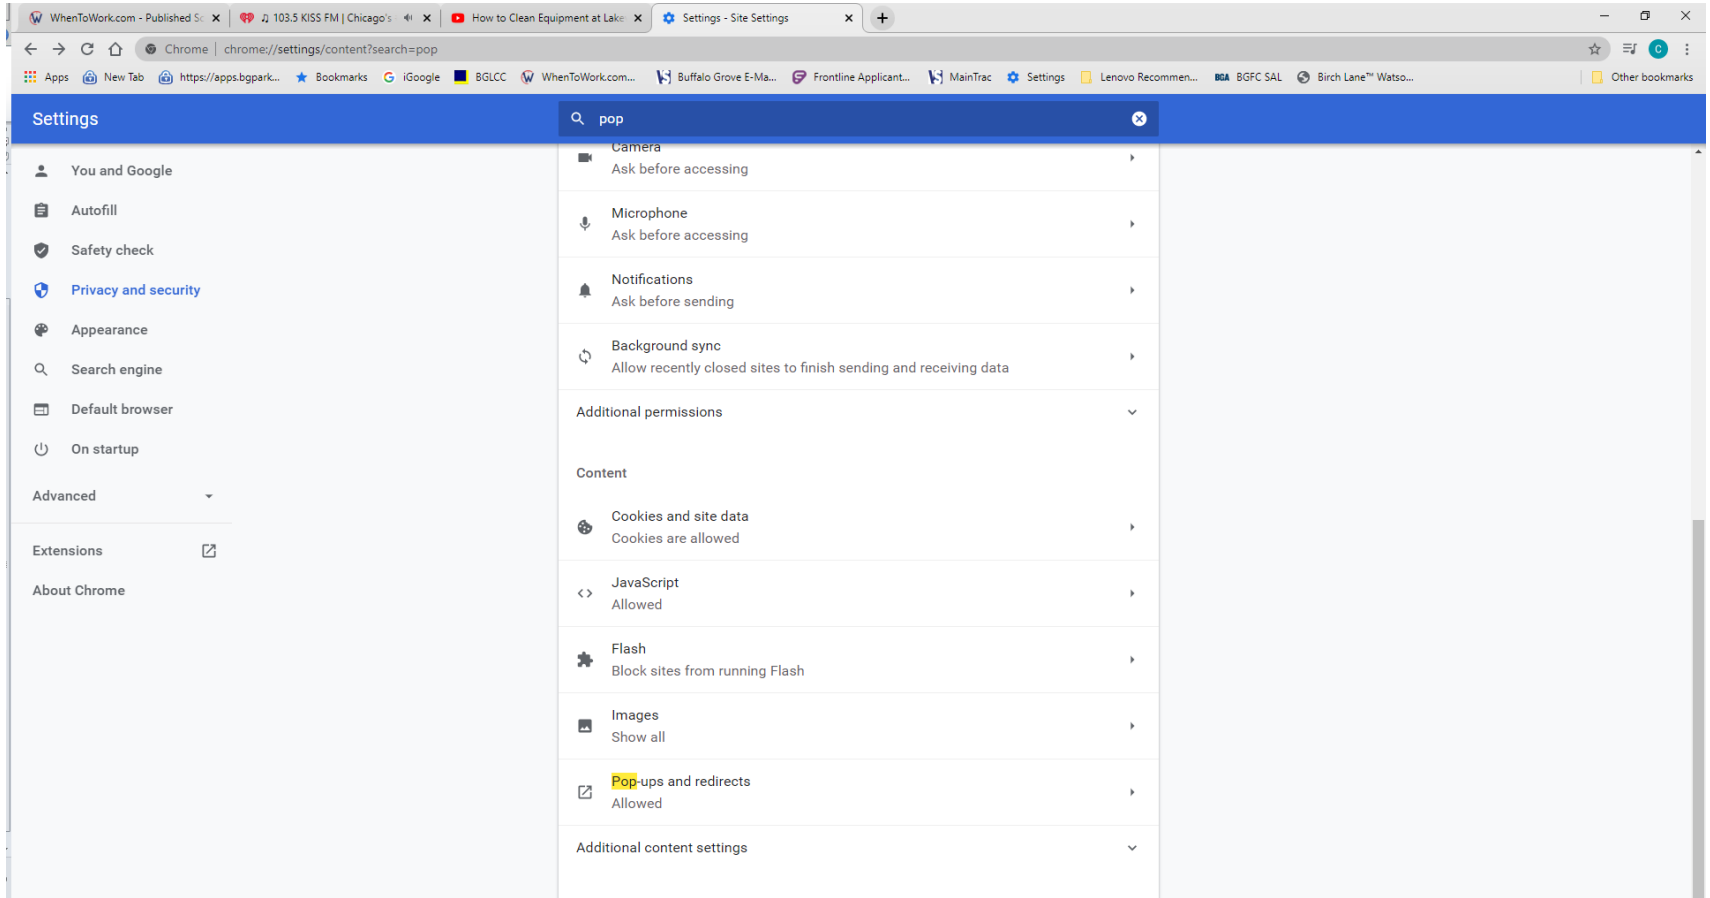

- Then go to “Privacy and Security” on the right and in the middle of the screen will be a “Cookies and other site data” box. Click on that.

3. You will then be brought to the screen where you can “Allow all cookies”

- 4. After you allow the cookies you then need to go into the search bar and type “Pop” it should bring you to this screen. You may have to scroll down to where the “Pop” word is highlighted. Then click on that box

5. You will then be brought to the following screen where you need to “Allow Pop-ups”. You should now be able to sign up on your device.
